**Diagram 3 – Bed of the Table**

**Diagram 4 – Long Axis of Cue**

The long axis of the cue is a line extending from the center of the butt through the center of the tip.

**Diagram 5 – Illegal Stroke by Lifting or Brushing with the Cue Tip**

Any lifting, sideways, or other brushing motion of the cue, such that the force that propels the cue ball does not result primarily from a forward motion of the cue as defined under "Legal Stroke", is a foul.

Without applying a substantial forward stroke motion, the player lifts the cue vertically or moves it sideways or at an angle, propelling the cue ball with a brushing motion.
